From Tent To White House:

From Tent to White House Edward Sylvester Ellis, 1899 *Echoes from Hospital and White House* Anna L. Boyden, 1884 **On My Own: The Years Since The White House** Eleanor Roosevelt, 2015-11-06 In this volume the greatest and best loved woman of her time shares the experiences private and public of her thirteen years since the death of her husband Franklin Delano Roosevelt She describes in intimate detail the problems she had to solve after her husband's death winding up his affairs and working out a pattern for her new life That new life would include much traveling and diplomatic work around Europe Russia and Asia for the United Nations for her forthright humanitarian endeavors she was voted as ninth in Gallup's List Of Most Widely Admired People Of The 20th Century **From Tannery to the White House** William M. Thayer, 1885 From the tannery to the White house. Story of the life of Ulysses S. Grant William Makepeace Thayer, 1885 Guide to the Presidency Michael Nelson, 2015-05-01 The Guide to the Presidency is an extensive study of the most important office of the U S political system Its two volumes describe the history workings and people involved in this office from Washington to Clinton The thirty seven chapters of the Guide arranged into seven distinct subject areas ranging from the origins of the office to the powers of the presidency to selection and removal cover every aspect of the presidency Initially dealing with the constitutional evolution of the presidency and its development the book goes on to expand on the history of the office how the presidency operates alongside the numerous departments and agents of the federal bureaucracy and how the selection procedure works in ordinary and special circumstances Of special interest to the reader will be the illustrated biographies of every president from Washington to the present day and the detailed overview of the vice presidents and first ladies of each particular office Also included are two special appendices one of which gathers together important addresses and speeches from the Declaration of Independence to Clinton's Inaugural Address and another which provides results from elections and polls and statistics from each office The White House in Miniature Gail Buckland, 1994 Yet while the White House remains one of the country's most popular tourist spots most Americans will never have the opportunity to visit and experience the thrill of history in the making **Struggle Over Utah's San Rafael Swell** Jeffrey O. Durrant, 2022-07-12 The vast public lands of the American West are being transformed today not geologically but conceptually A century ago visitors to western public lands were likely to be ranchers or miners Today the lands are popular destinations for campers hikers rock climbers river runners artists and off road vehicle enthusiasts These new visitors have proved to be a challenge for managers of public lands in particular the federal Bureau of Land Management Perhaps no area has been more affected by changing users and shifting policies than the San Rafael Swell a million acre expanse in southeastern Utah In this insightful and useful book Jeffrey Durrant follows the trail of decisions and events that have had and continue to have a transformative impact on this ancient land In detailing political and environmental squabbles over the San Rafael Swell Durrant illuminates issues that confront land managers bureaucrats and elected officials throughout the

country He describes struggles between county commissioners and environmental activists conflicts over water rights proposals that repeatedly fail to gain government approval and political posturings Caught in the crossfire and often overwhelmed the Bureau of Land Management has seen its long time mission once centered on grazing and mining rights transmogrify into a new and to some unsettling responsibility for recreation and preservation The sandstone crags and twisting valleys of the San Rafael Swell present a formidable landscape but as this book clearly shows the political landscape may be even more daunting strewn with bureaucratic boulders and embedded with fixed positions on the functions and values of public land

White House by the Sea Kate Storey,2024-06-04 Drawing from conversations with family members friends neighbors and household and security staff this multigenerational story of the Kennedy family as seen through their Hyannis Port compound on Cape Cod provides a sweeping history of an American dynasty that has left an indelible mark on the nation s politics and culture

Undiplomatic Deesha Dyer,2024-04-23

Without credentials or connections community college student and advocate Deesha Dyer navigated her imposter syndrome landing one of the most exclusive positions in the White House Michelle Obama calls Undiplomatic smart funny and endlessly inspirational From the most unlikely person to end up as a senior official to President Barack Obama and First Lady Michelle Obama comes a candid incredible and inspiring story Moved by the election of the country s first Black president Deesha Dyer applied for a White House internship in 2009 as a thirty one year old part time community college student taking a leap that carried her into a permanent full time position followed by three promotions landing her at the epicenter of politics In spite of the little voice in her head telling her she didn t deserve to be there Deesha thrived and rose to the highly coveted role of White House social secretary giving her a front row seat to defining moments in history while curating some of the flyest parties 1600 Pennsylvania has ever seen Yet with humor and realness she peels back the curtain revealing the hard truth about why she spent years trying to hide behind it Undiplomatic is a deeply personal narrative about combating self doubt while being on top of the world Deesha reflects on how imposter syndrome threatened her self esteem proven aptitude and survival until she realized that it was neither her fault nor her responsibility In this vivid portrayal from a true around the way girl on the personal impact of the Obama presidency Deesha shares her road map from imposter to impact In Undiplomatic she invites you on a journey of self discovery where she overcame doubt unearthed true love for herself and learned that your unique worth is not something to be earned but something inherently deserved Uplifting funny and sincere Deesha s story shows you about authenticity at all costs and the joy and freedom that awaits on the other side
