From the Pulpit of Saint James School D. Stuart Dunnan, 2002 Saint James School of Maryland W. L. Prehn, 2021-02-15 Saint James School is far more than one of the oldest boarding schools in the United States The school was founded in 1842 in western Maryland as the second iteration of the national scholastic vision of William Augustus Muhlenberg 1796 1877 who with his principal disciples in five states established some of the best schools in American history These schools pursued academic excellence without sacrificing the Christian faith Saint James St Paul s Concord NH St Mark's Southborough MA and many other schools set a national tone in the preparation of young men for college and for life Their objective was to educate the whole person to excellence and they largely succeeded Saint James School of Maryland 175 Years tells the story of the school by focusing on the long tenures of five headmasters The Living Church From the Pulpit of Saint James School: 2002-2009: Further thoughts of a priest headmaster D.
