The Healing Path Dan B. Allender,2000-09-26 Don t Waste Your Pain None of us escapes the heartache and disappointments of life To live is to hurt and we all have the wounds to prove it Regardless of how we ve been hurt we all

face a common question What should we do with our pain Should we stoically ignore it Should we just get over it Should we optimistically hope that everything will work out in the end If we fail to respond appropriately to the wounds that life and relationships inflict our pain will be wasted it will numb us or destroy us But suffering doesn't have to mangle our hearts and rob us of joy It can instead lead us to life if we know the path to healing Healing is not the resolution of our past it is the use of our past to draw us into deeper relationship with God and his purposes for our lives If you're ready to shape a future characterized by love service and joy now is the time to step out onto The Healing Path Twelve Ways to Turn Your Pain Into Praise Linda Newton,2008 An experienced counselor brings valuable insight to the emotional and spiritual struggles of abuse victims Drawing upon her knowledge of Scripture and psychology Linda Newton points the way out of the wilderness of self destruction and despair *Victim or Victor?* Mike Mazzalongo,2017-06-04 Practical ways to overcome the reality of failure injustice and adversity in our present lives Hebrews 12:14-15 *Healing from Hurts and Offenses* Carola Finch,2019-11-02 How can I overcome being so thin skinned Why can't I get over the horror that happened to me Why would someone do something so harmful Healing From Hurts and Offenses addresses these and other questions that arise when people hurt us With many personal anecdotes and flashes of humor Carola describes how to recognize that we have been hurt and suggests strategies to deal with our emotional pain Offenses are divided into two categories minor and major Carola uses biblical principles to explain how we can overlook minor infractions and restore relationships For major offenses this book recognizes that crimes all types of abuse neglect rejection substance abuse and other wounds can go deep and need time and effort to heal Biblically based steps are given to help victims on the road to recovery A wide range of topics discuss issues such as confrontation restoring or ending relationships and the harm done by churches or religious organizations Healing From Hurts and Offenses is designed to be a tool for anyone who is struggling because they have been harmed by others **Emotionally Wounded Spiritually Strong** Tarran Carter,2011-05 From victim to victor author Tarran Carter overcame the enemy Shirking clinical and medical terms this pastor speaks with great knowledge simplistically and vehemently from the heart about her experiences and journey back to health The Lord gave her a strategic plan to take back her family and the kingdom and she is still using it to this day She wants to share with you the tools for restoration Today many abuse cases are not reported Victim No More encourages those who have experienced sexual abuse and emotional instability It speaks directly to those who are throttled in pain and have never talked or are afraid to deal with mixed emotions due to abuse Picking Up the Pieces Stephan Skotko,2012-03-01 Picking up the pieces is an extraordinary story of a man who suffered an injustice and experienced tremendous emotional injuries as a result Picking up the Pieces is a well written step by step instruction of how one gets past the pain of betrayal and into the healing process which crosses Christian faith with Psychology to bring about healing from the psychological abuse he received It explains the sexual and psychological abuse suffered by men and how this abuse is often overlooked by authorities In Stephan's first book A Heart

Held Ransomed he describes the unbelievable ordeal which ripped apart his family and brought him to his knees Beginning in 2002 and ending in 2008 Stephan and his family were victims of an unscrupulous counselor Over the years local headlines have covered the story but no one really knew the damage this ordeal had left on Stephan this is until now In his new book Picking up the pieces Stephan talks about his experiences and about his relationship with Christ It is a book that exemplifies the healing hand of God in the midst of madness Stephan candidly describes how God comforted him in his time of need and gave him the strength and encouragement to move forward and face his fears Out of the ashes Stephen stepped up and began putting the pieces of his life back together and has been encouraging others along the way His story reveals the faithfulness of God Yet it clearly outlines the frustrations and insecurities which were pressing on Stephan during the midst of the turmoil Picking up the pieces is never easy but with Christ it became manageable for Stephan It is a book which exemplifies the healing hand of God in the midst of madness and the storms of life It is a story that will ignite your faith and will inspire you to reach beyond your circumstances and give you the strength to become victorious even in the midst of your biggest trials Stephan s story has encouraged hundreds maybe even thousands It s a story of a man who refused to give up and learned to count on the promises God has given to each of us You ll be in awe as you read this book Stephan is a changed man and he wants to share with those who are broken hearted the tidbits of wisdom which God has so graciously given to him If you are going through some difficult times or know someone who is this is the book for you
