Gary Schulz,2012-11-29 n this world of sin we all struggle with security fear acceptance and joy We are all subject to potential physical situational or emotional harm from others Its a competitive world Peaceful and loving homes with godly parents who love each other are rare The home has become a place for the greatest harm Everyone has to survive somehow Some have good jobs and money some do not Some get all the breaks in life and some come up short Some succeed and some fail Some are accepted and some are rejected Do you view yourself as a

victim Do you see yourself as deserving special treatment because of your victim status On the other hand do you see yourself as victorious What does it mean to be victorious And how does one obtain victory especially when he already sees himself as the victim of those who are stronger Are you your greatest enemy Are you a victim of your own view of yourself Is a victim status a choice Is victory a choice Jesus said the truth would set us free Learn to seek victorious freedom through Jesus Christ **From Victims to Victors** Lisa Ashworth, Yale University.
