Weary, 2012-06-04 An inspiring story of how God called one man to go back and make a difference Dolphus Weary knows from personal experience just how harmful racial division can be Growing up in rural Mississippi he learned that if poverty hunger and disease didn't kill him racism bigotry or the Klan just might So when a college basketball scholarship gave him the opportunity to get away from the broken racially divided city of Mendenhall he jumped at the chance But he couldn't outrun racism Eventually God called him back to his hometown to the city where the railroad tracks not only separate economic classes but also represent a divide in the church Believing that prejudice is ultimately a spiritual issue Weary went back to Mississippi and worked to break down racial divides and promote productive dialogue greater understanding and ultimately racial reconciliation The founder and part time president of R E A L Rural Education and Leadership Christian Foundation Weary helps ministries and communities realize that a kingdom mentality is possible only when we stop limiting God's work to a denomination or racial group *Crossing the Tracks* offers an insider's look at Weary's life and experiences It recounts both the heartbreaking and victorious events that helped him overcome the odds Profoundly honest and never more timely this book encourages Christians to partner together to turn the ugly legacy of racism wherever it is found into a beautiful community of hope **The New Encyclopedia of Southern Culture** M.
