Davis,2020-12-01 A tech entrepreneur journeys across Africa in this inspiring memoir about economic development spiritual growth and how to live with purpose In 2017 Kurt Davis traveled to Africa to volunteer with entrepreneurial support organizations and humanitarian non profits In Finding Soul From Silicon Valley to Africa Kurt shares his enlightening and inspiring experiences in South Africa Nigeria Ghana Rwanda and numerous other countries His story sheds light on the power of entrepreneurialism as a tool for development But it is also shares lessons about the profound power of empathy what we gain when we release the ego and how we can discover deeper meaning in our lives *Silicon Valley - The Startup*

Quiz Book Mike Dugdale,2016-10-12 The Silicon Valley Quiz Book is a fun selection of original questions and answers comprehensively covering all facets of the classic HBO series As a fun game it will separate the Gavin Belson s from the Peter Gregory s and the End Frame s from the Pied Piper s and is a fantastic way to enjoy the show even more Always blue always blue always blue

Salvaging Community Michael Touchton,Amanda J. Ashley,2019-07-15 American communities face serious challenges when military bases close But affected municipalities and metro regions are not doomed Taking a long term flexible and incremental approach Michael Touchton and Amanda J Ashley make strong recommendations for collaborative models of governance that can improve defense conversion dramatically and ensure benefits even for low resource municipalities Communities can t control their economic situation or geographic location but as Salvaging Community shows communities can control how they govern conversion processes geared toward redevelopment and reinvention In Salvaging Community Touchton and Ashley undertake a comprehensive evaluation of how such communities redevelop former bases following the Department of Defense s Base Realignment and Closure BRAC process To do so they developed the first national database on military redevelopment and combine quantitative national analyses with three in depth case studies in California Salvaging Community thus fills the void in knowledge surrounding redevelopment of bases and the disparate outcomes that affect communities after BRAC The data presented in Salvaging Community points toward effective strategies for collaborative governance that address the present day needs of municipal officials economic development agencies and non profit organizations working in post BRAC communities Defense conversion is not just about jobs or economic rebound Touchton and Ashley argue Emphasizing inclusion and sustainability in redevelopment promotes rejuvenated communities and creates places where people want to live As localities and regions deal with the legacy of the post Cold War base closings and anticipate new closures in the future Salvaging Community presents a timely and constructive approach to both economic and community development at the close of the military industrial era
