*From Sex to Superconsciousness* Osho, 2002 Extemporaneous talks given by the author in Mumbai India **Sex Matters** Osho, 2003-07-11 One of the greatest spiritual thinkers of the twentieth century explores the physical and emotional intimacies of men and women in *Sex Matters* *Sex to Superconsciousness* Sex matters to us all The Osho approach to sex begins with an understanding of how important love is in our lives while at the same time acknowledges that the journey into love cannot exclude our innate biological energies With this perspective it becomes clear that the tendency for religions and for society in general to associate sex with sin and morality has been a great misfortune *Sex Matters* begins by deconstructing the layers of sexual repression that the condemnation of sex has inflicted on humans Throughout the book in response to questions about everything from jealousy to premature ejaculation the role of intimacy and the differences between men and women Osho proposes a vision that embraces sex as a fundamental gift from nature We learn how orgasm offers a glimpse of timelessness thoughtlessness and pure awareness biology's way of pointing toward the consciousness that helps us to understand ourselves Finally we are presented with a clear choice a repressed sexuality that leads to pornography perversion and a stunted humanity or a playful respectful and relaxed innocence that supports us in becoming fulfilled and whole as nature intended Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness He has been described by the Sunday Times of London as one of the 1000 Makers of the 20th Century and by Sunday Mid Day India as one of the ten people along with Gandhi Nehru and Buddha who have changed the destiny of India Since his death in 1990 the influence of his teachings continues to expand reaching seekers of all ages in virtually every country of the world **From Sex to Super Consciousness** Osho Rajneesh, *From Sex to Super Consciousness* Bhagwan Shree Ra Ineesh, Osho, 1975-01-01 **From Sex to Superconsciousness** Bhagwan Shree Rajneesh, 1977 *From Sex to Superconsciousness* Acharya Rajaneesh, 1976 New Religious Movements Bryan R. Wilson, Jamie Cresswell, 1999 Focusing on five countries Italy Brazil Germany Britain and the United States *New Religious Movements* offers a comprehensive and wide ranging study of the phenomena and impact of new religions *Joy* Osho, 2004-03-18 The Insights for a New Way of Living series aims to shine light on beliefs and attitudes that prevent individuals from being their true selves With an artful mix of compassion and humor Osho encourages his audience to confront what they would most like to avoid which in turns provides the key to true insight and power In *Joy The Happiness That Comes From Within* the seventh book in this series Osho posits that to be joyful is the basic nature of life Joy is the spiritual dimension of happiness in which one begins to understand one's intrinsic value and place in the universe Accepting joy is a decision to go with the flow to be grateful to be alive and for all the challenges and opportunities in life rather than setting conditions or demands for happiness Joy is a wondrous investigation into the source and importance of joyfulness in our lives **I Am The Gate** Osho, 2003 **Killer Cults** Stephen Singular, 2021-06-29 What's scarier than a

murderer Someone with the charisma to compel others to kill for them or to kill themselves Meet these cult leaders and get an inside look at their beliefs and how they controlled others Some cults led by leaders like Charlie Manson Jim Jones and David Koresh are notorious But others are less well known such as Shoko Asahara and his doomsday cult Aum Shinrikyo who orchestrated the sarin gas attack on the Tokyo subway Or Joseph Di Mambro and Luc Jouret who founded the Order of the Solar Temple a doomsday cult that led to the death of 51 members by murder or suicide Then there is Marshall Applewhite leader of Heaven s Gate who along with 38 followers killed themselves in the belief that the Hale Bopp comet signaled the arrival of a spaceship that would transport them to a higher plane of existence What makes cult leaders so compelling is their often unfathomable power over their adherents Why do people kill others or themselves for a questionable set of beliefs Killer Cults tells the stories behind both famous and unfamiliar cults and the people behind them Across a series of profiles we learn the jaw dropping truth behind some of the most mystifying and deadly cults and their leaders all of whom led their followers down a dark murderous path

**Zorba the Buddha** Hugh B. Urban, 2016-01-12 Zorba the Buddha is the first comprehensive study of the life teachings and following of the controversial Indian guru known in his youth as Bhagwan Shree Rajneesh and in his later years as Osho 1931 1990 Most Americans today remember him only as the sex guru and the Rolls Royce guru who built a hugely successful but scandal ridden utopian community in central Oregon during the 1980s Yet Osho was arguably the first truly global guru of the twentieth century creating a large transnational movement that traced a complex global circuit from post Independence India of the 1960s to Reagan s America of the 1980s and back to a developing new India in the 1990s The Osho movement embodies some of the most important economic and spiritual currents of the past forty years emerging and adapting within an increasingly interconnected and conflicted late capitalist world order Based on extensive ethnographic and archival research Hugh Urban has created a rich and powerful narrative that is a must read for anyone interested in religion and globalization

Love, Freedom, and Aloneness Osho, 2002-12-13 Osho one of the greatest spiritual thinkers of the twentieth century explores the connections between ourselves and others in Love Freedom and Aloneness The Koan of Relationships In today s world freedom is our basic condition and until we learn to live with that freedom and learn to live by ourselves and with ourselves we are denying ourselves the possibility of finding love and happiness with someone else Love can only happen through freedom and in conjunction with a deep respect for ourselves and the other Is it possible to be alone and not lonely Where are the boundaries that define lust versus love and can lust ever grow into love In Love Freedom and

Aloneness you will find unique radical and intelligent perspectives on these and other essential questions In our post ideological world where old moralities are out of date we have a golden opportunity to redefine and revitalize the very foundations of our lives We have the chance to start afresh with ourselves our relationships to others and to find fulfillment and success for the individual and for society as a whole Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness He has been described by the Sunday Times of London as one of the 1000 Makers of the 20th Century and by Sunday Mid Day India as one of the ten people along with Gandhi Nehru and Buddha who have changed the destiny of India Since his death in 1990 the influence of his teachings continues to expand reaching seekers of all ages in virtually every country of the world

*Emotional Wellness* Osho, 2007-04-03 How do we reconcile our need to express our emotions with our desire to protect others Far too often we find ourselves trapped in this dilemma of expression versus repression We fear that by expressing our true feelings we will hurt and alienate those close to us But by repressing our emotions even in the benevolent guise of self control we only risk hurting ourselves Osho one of the most provocative and inspiring spiritual teachers of our time provides here a practical and comprehensive approach to dealing with this conflict effectively Incorporating new never before published material Emotional Wellness leads us to understand the roots of our emotions to

names dressed entirely in orange and encouraged to surrender themselves into their new family While his mother worked tirelessly for the cause Tim or Yogesh as he was now called lived a life of well meaning but woefully misguided neglect in various communes in England Oregon India and Germany In 1985 the movement collapsed amid allegations of mass poisonings attempted murder and tax evasion and Yogesh was once again Tim In this extraordinary memoir Tim Guest chronicles the heartbreaking experience of being left alone on earth while his mother hunted heaven An intelligent wry openhearted memoir of surviving a childhood and a cultural phenomenon that were both extraordinary Booklist starred review
