From Sundown To Sunup:

From Sundown to Sunup George P. Rawick, 1972 **U.S. Women in Struggle** Claire Goldberg Moses, Heidi I. Hartmann, 1995 This collection is distinguished by its focus on women in struggle over the course of United States history and by its source the pioneering journal Feminist Studies From its inception Feminist Studies and its contributors have linked scholarship to activism and made major contributions to the development of women's history U S Women in Struggle gathers a selection of the strongest pieces published in the journal from the mid 1970s to the mid 1990s **Guerrillas of Desire** Kevin Van Meter, 2017-05-22 Few have approached radical theory with the rigor and skill of Kevin Van Meter Empowering lucid and inspiring Guerrillas of Desire provides an exhaustive and much needed retooling of anarchism that will align the dreams of becoming revolutionaries with the reality of everyday resistance Alexander Reid Ross author of Against the Fascist Creep Looking for the political in the everyday and bringing anarchism into a productive dialogue with Autonomist Marxism Kevin Van Meter challenges many of the left's usual assumptions and forces a reconsideration of what we mean by struggle Kristian Williams author of Our Enemies in Blue Behind the smiling faces of cashiers wait staff and workers of all sorts a war is being planned usually without the knowledge of official political and labor organizations Guerrillas of Desire begins with a provocation The Left is wrong It's historical and current strategies are too often based on the assumption that working and poor people are unorganized acquiescent to systems of domination or simply uninterested in building a new world The fact is as C L R James has noted they are rebelling every day in ways of their own invention pilfering sabotaging faking illnesses squatting fleeing and counter strategizing Kevin Van Meter maps these undercurrents illustrating that everyday resistance is an important factor in revolution and something radicals of all stripes must understand Kevin Van Meter is an activist scholar based in the Pacific Northwest He is coeditor of Uses of a Whirlwind Movement Movements and Contemporary Radical Currents in the United States Race and Police Ben Brucato, 2023-09-15 In the United States race and police were founded along with a capitalist economy dependent on the enslavement of workers of African descent Race and Police builds a critical theory of American policing by analyzing a heterodox history of policing drawn from the historiography of slavery and slave patrols Beginning by tracing the historical origins of the police mandate in British colonial America the book shows that the peculiar institution of racialized chattel slavery originated along with a novel binary conception of race On one side for the first time Europeans from various nationalities were united in a single racial category Inclusion in this category was necessary for citizenship On the other Blacks were branded as slaves cast as social enemies and assumed to be threats to the social order The state determined not only that it would administer slavery but that it would regulate slaves authorizing the use of violence by agents of the state and white citizens to secure the social order In doing so slavery citizenship and police mutually informed one another and together they produced racial capitalism a working class defined and separated by the color line and a racial social order Race and Police corrects the Eurocentrism in

the orthodox history of American police and in predominating critical theories of police That orthodoxy rests on an origin story that begins with Sir Robert Peel and the London Metropolitan Police Service Predating the Met by more than a century America's first police often called slave patrols did more than maintain order it fabricated a racial order Prior to their creation all white citizens were conscripted to police all Blacks Their participation in the coercive control of Blacks gave definition to their whiteness Targeted as threats to the security of the economy and white society being policed defined Blacks who for the first time were treated as a single racial group The boundaries of whiteness were first established on the basis of who was required to regulate slaves given a specific mandate to prevent Black insurrection a mandate that remains core to the police role to this day

The Slave's Narrative Charles T. Davis, Henry Louis Gates Jr., 1991-02-21 These autobiographies of Afro American ex slaves comprise the largest body of literature produced by slaves in human history The book consists of three sections selected reviews of slave narratives dating from 1750 to 1861 essays examining how such narratives serve as historical material and essays exploring the narratives as literary artifacts

Black Man Emerging Joseph L. White, James H. Cones III, 2013-10-18 In the face of centuries of institutional and interpersonal racism in light of the signals they receive from society and given the choices they must make about what they want from life and how to go about getting it how can Black men in America realize their full potential In **Black Man Emerging** psychologists Joseph L White and James H Cones III fashion a moving psychological and social portrait that reflects their personal views on the struggle of Black men against oppression and for self determination Using numerous case histories and biographical sketches of Black men who have failed and those who have prevailed the authors describe strategies for responding to racism and entrenched power underscoring the healing capacity of religion family Black consciousness movements mentorships educational programs paid employment and other positive forces They also explore the concept of identity as it applies to being Black and male and the influence of Black men on American culture **Black Man Emerging** is a poignant and personal discussion of the issues facing and felt by Black men in this country and an important commentary on the conflicts born of human diversity

The Possessive Investment in Whiteness George Lipsitz, 2006-03-10 In this unflinching look at white supremacy George Lipsitz argues that racism is a matter of interests as well as attitudes a problem of property as well as pigment Above and beyond personal prejudice whiteness is a structured advantage that produces unfair gains and unearned rewards for whites while imposing impediments to asset accumulation employment housing and health care for minorities Reaching beyond the black white binary Lipsitz shows how whiteness works in respect to Asian Americans Latinos and Native Americans Lipsitz delineates the weaknesses embedded in civil rights laws the racial dimensions of economic restructuring and deindustrialization and the effects of environmental racism job discrimination and school segregation He also analyzes the centrality of whiteness to U S culture and perhaps most importantly he identifies the sustained and perceptive critique of white privilege embedded in the radical black tradition This revised and expanded edition also includes an essay about the

impact of Hurricane Katrina on working class Blacks in New Orleans whose perpetual struggle for dignity and self determination has been obscured by the city's image as a tourist party town Airport Lighting United States. Civil Aeronautics Administration, 1941 **Civil Aeronautics Bulletin**, 1936 **Toni Morrison's Beloved** William L. Andrews, Nellie Y. McKay, 1999 With the continued expansion of the literary canon multicultural works of modern literary fiction and autobiography have assumed an increasing importance for students and scholars of American literature This exciting new series assembles key documents and criticism concerning these works that have so recently become central components of the American literature curriculum Each casebook will reprint documents relating to the work's historical context and reception present the best in critical essays and when possible feature an interview of the author The series will provide for the first time an accessible forum in which readers can come to a fuller understanding of these contemporary masterpieces and the unique aspects of American ethnic racial or cultural experience that they so ably portray This casebook to Morrison's classic novel presents seven essays that represent the best in contemporary criticism of the book In addition the book includes a poem and an abolitionist's tract published after a slave named Margaret Garner killed her child to save her from slavery the very incident Morrison fictionalizes in *Beloved* **The Black Jacobins Reader** Charles Forsdick, Christian Høgsbjerg, 2017-01-06 Containing a wealth of new scholarship and rare primary documents The Black Jacobins Reader provides a comprehensive analysis of C. L. R. James's classic history of the Haitian Revolution In addition to considering the book's literary qualities and its role in James's emergence as a writer and thinker the contributors discuss its production context and enduring importance in relation to debates about decolonization globalization postcolonialism and the emergence of neocolonial modernity The Reader also includes the reflections of activists and novelists on the book's influence and a transcript of James's 1970 interview with Studs Terkel Contributors Mumia Abu Jamal David Austin Madison Smartt Bell Anthony Bogues John H. Bracey Jr Rachel Douglas Laurent Dubois Claudius K. Fergus Carolyn E. Fick Charles Forsdick Dan Georgakas Robert A. Hill Christian Høgsbjerg Selma James Pierre Naville Nick Nesbitt Aldon Lynn Nielsen Matthew Quest David M. Rudder Bill Schwarz David Scott Russell Maroon Shoatz Matthew J. Smith Studs Terkel Selling the Race Adam Green, 2007 Black Chicagoans were at the centre of a national movement in the 1940s and 50s when African Americans across the country first started to see themselves as part of a single culture Green argues that this period engendered a unique cultural and commercial consciousness fostering ideas of racial identity that remain influential *Voices from Slavery* Norman R. Yetman, 2012-03-15 Vivid descriptions of the horrors of slave auctions and many other unforgettable and sometimes unrepeatable details of slave life Accompanied by 32 starkly compelling photographs **Coming Through** Kincaid Mills, Genevieve C. Peterkin, Aaron McCollough, 2023-03-20 Oral histories of formerly enslaved people and their families along the South Carolina coast *Coming Through* marks the first complete publication of these interviews with former slaves and their descendants living in the Waccamaw Neck region of South Carolina as collected by

Genevieve W Chandler as part of the WPA Federal Writers Project Between 1936 and 1938 Chandler interviewed more than one hundred individuals in and around All Saints Parish a portion of Horry and Georgetown counties located between the Waccamaw River and the Atlantic Ocean Her subjects spoke freely with her on topics ranging from slave punishment to folk medicine from conditions in the Jim Crow South to the exploits of Brer Rabbit A teacher artist writer and later museum curator Chandler had no formal training as an oral historian or folklorist yet the sophistication of her work as documented here anticipates developments in these fields of study a generation later Her detailed descriptions add social context to folktales and her careful and systematic renderings of the Gullah language have since been praised as foundational work by Creole linguists Chandler s Gullah speaking African American informants range in age from the 9 year old George Kato Singleton to 104 year old Welcome Bees A biography of each subject accompanies the interviews Collectively these interviews form an intimate portrait of a fascinating subculture of the Carolina coast and the Sea Islands as shared with a remarkable woman who has special access to converse with the people of this traditionally insular world Moreover they provide an unparalleled firsthand account of the African American experience in South Carolina in the words of those who lived it The volume is edited by Chandler s daughter Genevieve C Peterkin and two scholars Kincaid Mills and Aaron McCollough The three have carefully established the texts of the interviews in a manner that highlights Chandler s skills as a field linguist and have supplemented the texts with revealing documentation The collection is enhanced with a foreword by Charles W Joyner Burroughs Distinguished Professor of History at Coastal Carolina University appendixes respecting the WPA project and the nuances of Gullah language and culture and photographs of the subjects taken by renowned photographer Bayard Wootten many published here for the first time

Biblical Resistance Hermeneutics within a Caribbean Context Oral A. W. Thomas, 2016-04-08 The Bible is of central importance within Caribbean life but is rarely used as an agent for social change Caribbean biblical hermeneutics focus more on the meaning of biblical texts for today and less on the context in which the texts themselves were written Biblical Resistance Hermeneutics within a Caribbean Context offers a biblical hermeneutic that acknowledges the importance of the socio ideological interests theological agendas and social practices that produced the biblical texts as well as the socio cultural context of the contemporary reader The book examines the social context of post independence Caribbean and outlines the difficulties of biblical interpretation within Christian communities that descend from a history of slavery Current hermeneutical practices in the Caribbean are critiqued and a biblical resistant reading offered that enables the Bible to be used as a cultural weapon of resistance

A Companion to the American South John B. Boles, 2008-04-15 A Companion to the American South surveys and evaluates the most important and innovative writing on the entire sweep of the history of the southern United States Contains 29 original essays by leading experts in American Southern history Covers the entire sweep of Southern history including slavery politics the Civil War race relations religion and women s history Surveys and evaluates the best scholarship on every

important era and topic Summarizes current debates and anticipates future concerns Preferring Christ Norvene Vest,2004-10-01 A modern approach to spiritual deepening using the ancient but wise Rule of St Benedict The Rule of St Benedict continues to attract those who seek to live a deeper life connected to Christ But with such an ancient text how can we authentically engage St Benedict s Rule in a manner that is true to its profound insights and to our own spiritual journey Norvene Vest suggests that the answer lies in the way we read the Rule It shouldn t be studied like a book of regulations or a school textbook It should be read as lectio divina This profound yet very practical volume speaks to our urgent spiritual need People yearn for an interior life deeply rooted in God humanly balanced and substantially founded in the Christian heritage Vest offers a valuable resource by rendering much more accessible the spiritual wealth of the key text of the ancient Benedictine charism Here is the solid balanced wisdom that has nourished and guided innumerable Christians for nearly fifteen centuries **Cathy Williams** Phillip Thomas Tucker,2002 Presents a biography of Cathy Williams African American and only woman ever to disguise herself as a man join serve in the Buffalo Soldiers and succeed against all odds *A Revolt Against Liberalism* A.A.M. van der Linden,2023-04-12 This is the first study to provide a comprehensive picture of the revolt brought about by American radical historians in the 1960s and 1970s With the turbulent sixties as a backdrop the work of radical luminaries like Eugene Genovese Herbert Gutman Staughton Lynd William Appleman Williams and Howard Zinn is discussed These historians made a significant contribution to present day notions about slavery working class history the New Deal the Cold War and a wealth of other subjects Their main target was American liberalism Radical criticism centered on the liberal concepts of the division of power and of the nature of man The acrimonious debate which ensued tore the historical profession apart Therefore most historians have stressed the disagreements between liberals and radicals Yet in this study it will be argued that in some respects the radicals were part and parcel of mainstream historiography though they presented a radical version of it An Empire for Slavery Randolph B. Campbell,1991-08-01 Winner of the Coral Horton Tullis Summerfield G Roberts and Friends of the Dallas Public Library Awards Because Texas emerged from the western frontier relatively late in the formation of the antebellum nation it is frequently and incorrectly perceived as fundamentally western in its political and social orientation In fact most of the settlers of this area were emigrants from the South and many of these people brought with them their slaves and all aspects of slavery as it had matured in their native states In An Empire for Slavery Randolph B Campbell examines slavery in the antebellum South s newest state and reveals how significant slavery was to the history of Texas The peculiar institution was perhaps the most important factor in determining the economic development and ideological orientation of the state in the years leading to the Civil War
