**From the Ashes of Hell** Cannon Cole,1973-01-01      The Last Cowboy from Hell Rambo Kittystomper,2023-01-25 The world has forgotten metal And am going to bring it back I m the last cowboy from hell and am on my way to find the metal A long journey through hellspace the likes of your wildest pornos could only imagine A cowboy on a quest to find a posse to save the souls of all our rock legends from the pits oh hell and to mosh in the pits of hell Evil weed farmers from hell twerking with the devil in the pale moon light and whisky lots of whisky Even some cute dead kittens and some more fucked up shit enjoy the ride      I come from hell. Billy Guajardo,2023-06-05 Billy says he has a duty to the guardians He would like to see his old friends Sensie Abbott and Guardians that perished in a fight between the dark and the light This time hell will fool even a guardian Hell will unleash the most beautiful of angels He will call them angels of desire lust and the deadliest The kind that leaves death on their lips through their kisses The fight for good and evil could last forever Look for I come from hell 1 2 3 4 and now 5      *Hell's Door* Sandy DeLuca,2018-03-08 Detective Lacy Powers and her partner John Demmings are stalking a sadistic killer down the rainy streets and back alleys of Providence Together they go undercover into a dark and perverse subculture where pimps hookers and sexual deviants gather at an underground nightclub called Hell s Door There they come face to face with their prime suspect a charismatic and dangerous woman named Ramsay Wolfe But Ramsay might be working in concert with a tortured soul who calls himself Gabriel an elusive drifter who records each detail of the killings leaving notebook pages spattered with victims blood as evidence As the headless bodies and blood soaked crime scenes continue to mount Lacey and John have few leads and minimal evidence Will they catch the real killer before it s too late or will they meet their demise at Hell s Door      **Inferno** Dante Alighieri,1888      **Hell's Gate** , Colton Phillips a workaholic crime scene investigator with the NYPD likes to investigate paranormal activities in his spare time and has spent a lot of that personal time studying visitations from beyond the grave Having accumulated some vacation time he visits Pineville a small town in upstate New York which has been plagued in the past by mysterious axe murders It s a case that remained unsolved as the murders stopped for a long while While in Pineville Colton comes upon an old farm house where he finds a hand held mirror with a solid gold back This mirror reputedly came from Egypt and has been used as a portal to travel back and forth from the spirit world to the material world by those who possessed it Abruptly the murders begin again and the female victims are usually made love to by a beautiful and buxom blonde woman before they re possessed by her and invariably end up murdering their mates Together with the help of local psychic Sheri Osmire who has served with the FBI Colton learns that the murders are being committed by the spirit of Marge Borden the illegitimate incestuously fathered daughter of the infamous Lizzie Borden who also joins her daughter in the murderous sprees Afterwards they use the mirror as a portal to return to the spirit world Marge and Lizzy Borden are on a mission to find a way to become immortal and obtain a body of flesh and bones Colton and Sheri have their work cut out for them as they try to

prevent this from happening Their work together will lead them into many hair raising adventures including trips to Egypt and The Dead Sea and also into each other's arms as husband and wife Colton also learns that Sheri has a kinky side in that she's bi sexual and doesn't mind having a couple extra women in their bed together with them Surprisingly Colton finds that he doesn't mind this and eventually he enjoys their sexual escapades with a lesbian couple they encounter during their investigation who become part of their lives The lesbian couple Jody and Alexis are white witches with psychic gifts of their own that they contribute to helping Colton and Sheri bring an end to Marge and Lizzie's bloody reign of terror **Hell's Folly** William Moody, 2003 HELL'S FOLLY this is my story There will be many old soldiers that will remember the incidents differently than I do There will be many Military Historians that will disagree with me in accordance to OFFICIAL RECORDS including the Government of the United States Archives This is unfortunately what happens in any war It is the nature of the beast PART ONE The story begins in Camp Howze outside of Gainesville Texas circa July 1944 Private Moody had just been Court Martialed for Sleeping on Guard in a Mustard Gas Training Area adjacent to Camp Howze Because it was so late in the day when Private Moody was released to the Provost Marshal he was allowed to sleep in the troop area for that one night so the proper paper work could be processed early the next morning Six months confinement at hard labor forfeiture of 2/3rds of the soldier's monthly pay for six months and reduction to Private from Private First Class were the exact words the President of the court droned Little did I realize how much it would change my life and my outlook on life itself In the Post Stockade Moody schemed with his cellmate to escape to Canada but when the 103rd Infantry Division was alerted for the European Theatre he was offered the option of freedom and combat or escape and being hunted for the rest of his life he chose the former and was released the next day Out of the Stockade it was pack this pack that throw that away you won't need it where we're going by his platoon sergeant Sergeant Denny We were soon headed to New York on a train where Moody played poker for four straight days and nights and won nearly seven thousand dollars He went from a poverty stricken prisoner to a rich free soldier In New York he began to make errors in judgment mostly caused by money a need for sex before going to Europe and just plain youthful stupidity regarding Army regulations Further in the book Acting Corporal Hell had many feelings that he had never intimated in our days back in Camp Howze Texas We were good friends but we never discussed the fact that he was German or what that might mean to him or to me for that matter When we started south toward Austria I thought the trip would be a lark some fun times maybe a German girl or two But there was something different in Clarence Hell's mind Dachau To me Dachau meant nothing at that time It was just a German word that I didn't understand But to millions of Europeans and German immigrants in the United States it was synonyms for Death Torture and Human Misery The first night we tried to get an hour or two of sleep along side of the Autobahn hidden by some brush but it was miserable The second day out we headed west That in itself meant nothing to me It was the first day of May 1945 and Hell had directed the Jeep driver straight into Dachau Germany I was flabbergasted I couldn't believe what I was seeing Hell

had no authority to do this He was in direct disobedience of orders We rode around the compound for around 30 minutes finding nothing No German Guards no prisoners It was as if the whole garrison had packed up and migrated somewhere I was just breathing a sigh of relief when the Jeep driver Private Feinartz spotted prisoners in one of the outer compounds Hell ordered Feinartz to stop We dismounted the jeep and walked toward the gate The situation was spooky and smelly The inmates looked like Ghosts in striped pajamas We were 50 feet away from them but they stunk to the high heavens and they started toward us Unfortunately Hell had already used his grease gun to shoot the chain off the wrought iron gate We were about to be hugged and kissed by these poor pitiful people
