From Your Lips To Gods Ear:

From Your Lips to God's Ear Randy Connolly, Heidi Ratner-Connolly, 2005 Singles on a quest for the right mate will discover the insight they need to live the life they want and find their ideal partner in this practical guide Using their amazing story of how they found one another this husband and wife team encourages singles to skip the dating scene and put a personal advert in god's newspaper to align their conscious and unconscious minds with the energies of the universe to bring them together with their ideal love Point by point their 10 step plan shows readers how to break through the beliefs that hinder the attainment of what they most want send the message they intend to send and discover the direct route to the From My Lips To God's Ear ,Ajani,2022-08-01 With aspirations of becoming a model and fashion partner they desire designer a small town girl named Tomorrow Hawkins eagerly sets out to achieve her dreams by enrolling in a fashion academy in Atlanta Georgia But unfortunately her dreams were short lived after an evil jealous and enraged woman plunges Tomorrow into a life of insanity Suddenly Tomorrow finds herself diagnosed with a serious mental illness which drives her on the edge of a traumatic life change But somehow the same illness that has her oppressed for many years is what she uses to relive her dreams and help others who are also afflicted with mental disorders to relive their life dreams as well This book is a solution for many issues we face today including an impactful economic turnaround This book is a must read for all readers and those daring to dream a dream that goes against the odds in the world you live in From My Lips to God's Ears M A. Walker, 2012-03-09 This autobiographical novel is a fusion of the author's heritage and a recollection of the life altering event that potentially could have destroyed her life From the outset of the story which takes us back to the depression years and her father's exploits during World War II the reader gets the impression that this is not the real message there is something much deeper going on This curiosity about what really happened keeps the reader turning the pages only to discover the heart breaking story of cruelty and total disregard for a young girl s life Many times people feel isolated and alone while being surrounded by the family and friends who think they know them best The main character of this novel is such a person Her sense of worthlessness and self loathing lead to many acts of self destruction as she desperately tries to terminate her tortured life Such stories have become all too common and have the potential to destroy the hopes and dreams of their victims Fortunately for the readers of this book the story does not stop at that point It offers an understanding of how victims can find a way out of the hell in which they have been placed and become restored to wholeness once again It is the story of a second chance to have a normal life filled with all the happiness and endless blessings God intended all people to enjoy From My Lips to God's Ears has stirred up many emotions within me To open up and tell aspects of your life takes great courage It has made me realize that we are quick to judge when we really don't know what has gone on in a person's life I also believe that we have at least one good book in us but are probably not prepared to bare our souls as M A Walker has The bottom line is that God knows each book that is in us and He alone will judge the story we have to tell Great book please read
