downright hilarious and provide an insider's perspective on which attractions are overrated tourist traps and which are the secret gems that locals love. You'll get the lowdown on restaurants, lodging, and shopping, and even find out what the locals think of you. Like being taken around by a savvy local, said the New York Times. Hipper and savvier than other guides, concurred Diversion magazine. Never shy about confronting the issues, the Irreverents are guides to real travel in the real world. Let the good times roll with Frommer's Irreverent Guide to New Orleans, the travel guide that unabashedly gives the insider perspective on one of America's most popular destinations. You'll discover where the locals go for real gumbo, how to eat mudbugs, why you should avoid it at all costs during Mardi Gras, and how to survive anyway if you just can't help yourself. Learn why burial tombs were built aboveground and why so many people buried in the local cemeteries died in one year. We'll direct you to favorite psychics, voodoo parlors, and zydeco dance halls, and away from the touristed nightclubs locals avoid like the plague, did someone say Planet Hollywood? The Irreverent Guide to New Orleans will show you the real New Orleans of hothouse music and romance, and clue you in on where to have the most fun in the ultimate party town. **Frommer's?**

National Parks of the American West Don Laine, Barbara Laine, 2012-05 Provides information and suggestions for hotels, restaurants, outdoor activities, and top attractions. **Frommer's Caribbean Cruises & Ports of Call 2004** Heidi

Sarna, Matt Hannafin, 2003-08-29 A cruise is a complete vacation, so it's important that you choose the one that's right for you. Frommer's Caribbean Cruises, Ports of Call is the most user-friendly, opinionated, and informative guide you can buy before you set sail. Unlike other guides that try to cover cruises around the entire world in one volume, we focus solely on the Caribbean, so we can bring you much more in-depth coverage. Unlike those used in other guides, our rating system is simple. We break down the essential elements of a cruise experience: dining, activities, children's activities, entertainment, service, overall enjoyment, and overall value, and rate them from poor to outstanding. Photos of each ship, combined with the text, give a better sense of the very real differences among the various lines. Most important, this is the only cruise guide that provides the real prices people pay for cruises, not just the rack rates. Other guides tell you that a seven-night cruise aboard Royal Caribbean's Brilliance of the Seas costs 2,099. You can pay that if you want to, but only Frommer's tells you that the same cruise is selling for 649. We give both the rack rates and the discount price for every cruise in the Caribbean. This feature alone makes Frommer's Caribbean Cruises and Ports of Call by far the most valuable trip-planning book among cruise guides. Our authors, noted cruise experts who've personally checked out every ship sailing the Caribbean, offer candid and unbiased opinions on them all. They are completely up to date with all the latest developments and the newest ships. You'll also get complete coverage of 35 Caribbean port destinations, with advice on how to spend your limited time ashore. **Frommer's**
