The Temptress Vicente Blasco Ibáñez, 1923 AS usual the Marquis de Torre Bianca got up late Leaving the security of his bedroom he cast an uneasy glance at the letters and newspapers waiting for him on a silver salver in the library Some of the postmarks were foreign At sight of these he breathed a sigh of relief That much respite at least But some of the letters were from Paris and at these he frowned He knew what they would be like They would be long and full of unpleasant allusions to say nothing of reproaches and threats Publisher description
